

Shree Janajyoti Secondary School, Phosretar Welcomes New Students with Orientation Program

Phosretar, Sindhuli – Baisakh 2082 BS

Shree Janajyoti Secondary School in Phosretar, Sindhuli, commenced the academic year 2082 BS with a comprehensive orientation program designed to welcome and guide newly admitted students. The event underscored the school's commitment to holistic education and community engagement.

Established as a community-based institution, Shree Janajyoti Secondary School offers educational programs from Early Childhood Development (ECD) to Grade 10, along with Ten Plus Two (10+2) programs in the Education, Science, Management stream. The school also provides a Plant Junior Technical Assistant (JTA) program affiliated with the Council for Technical Education and Vocational Training (CTEVT). The orientation session

introduced students to the school's facilities, including a well-equipped library, science and computer labs, and spaces for extracurricular activities such as dance and music. Emphasis was placed on the school's philosophy of integrating moral values with academic excellence, aiming to develop responsible and productive citizens. Headteacher and Co-ordinators highlighted the importance of co-curricular activities, leadership development, and community service in the students' educational journey. The school adopts a student-centered teaching approach, utilizing scientific teaching aids and encouraging parental participation to enhance the learning experience in both English and Nepali medium.

The orientation concluded with an interactive session where students engaged with teachers, SMC members, fostering a sense of belonging and enthusiasm for the upcoming academic year. There was a school tour for guardian and new comers around the school premises after the formal program ended.
